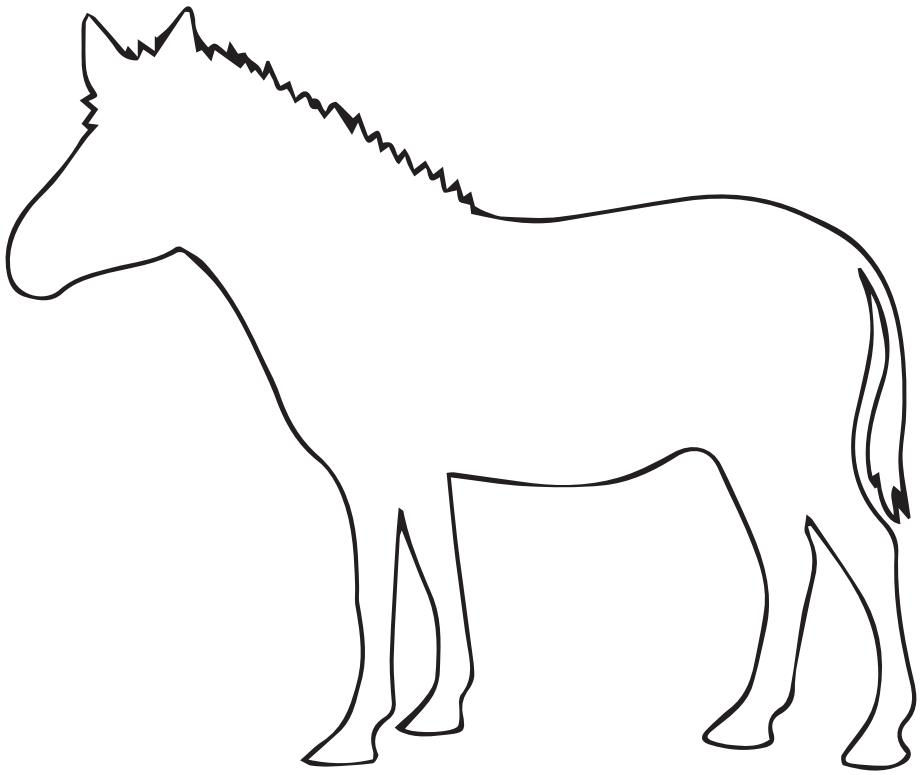
NATURAL BRIDGE WILDLIFE RANCH®
EDUCATIONAL ADVENTURES

FANCY COATS: STRIPES

ADVENTURER: _____

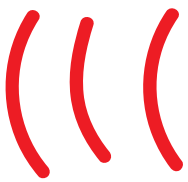
What did all of the animals in the video have in common? STRIPES

Color in your Zebra below.



What is one of the purposes of animal stripes? CAMOUFLAGE

What did the stripes of the Nyala, Bongo and Kudu look like? (Draw)



(The Nyala, Bongo and Kudu were the first three species after the Zebra in the video. Adventurers should convey vertical stripes.)

What did the stripes of the Springbok look like? (Draw)

(The Springbok was the last species in the video. Adventurers should convey the single horizontal stripe.)
